Kallam Alekhya

Email Id:kallamalekhya6@gmail.com **Mobil:** 7675001232 **Hyderabad**,India

Summary

Self-motivated and hardworking fresher looking for an opportunity to work in a Challenging organization to utilize my skills and knowledge to work for the growth of the organization.

Education

MEGHA INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN **2022 -PRESENT(Final Year)**

- CSE | CGPA **: 8.45**

SANTHINIKETHAN JR COLLEGE **2020 -2022**

- MPC | CGPA : **7.17**

VISION HIGH SCHOOL **2008- 2020**

- Board of Secondary Education Andhra Pradesh ,India | CGPA : **9.95**

Technical Skills

Python | Fundamentals of Java | Machine Learning | HTML | CSS | NodeJS | Django | Microsoft Word | VS Code

Project

Project 1 : Weapon Detection Using Artificial Intelligence

- Due to growing demand in the protection of safety, security and personal properties, needs and deployment of video surveillance systems can recognize and interpret the scene and anomaly events play a vital role in intelligence monitoring.
- Benefits are its Enhanced Accuracy, Increased Efficiency, Proactive Prevention, Continuous Improvement .
- Technology stack : Python, HTML, CSS , Nodejs.

Project 2 : A Real Time Crowd Detection and Monitoring System using Machine Learning

- Built a YOLOV5-based vision system to detect,count,and monitor crowds in real time with automated safety alerts.
- Helps ensure public safety by detection overcrowding in real time and enabling quick response.
- Technology stack : Python,Open CV,YOLOv5,Machine Learning Algorithms.

Course work

Data Structures and Algorithms, DBMS, Operating Systems, Computer Networks.

Certifications

- Digital marketing course certificate from GOOGLE
- Basics of python completion course certificate from INFOSYS
- Artificial Intelligence course certificate from ACCENTURE
- Applied Data Science with Python certificate from COGNITIVE CLASS.AI
- Generative AI for Software Development completion certificate from IBM
- Data visualization using Python certificate from IBM

Interests

- Learning new skills
- Listening to podcasts
- Reading Books
